Welcome to the inaugural season of Lambert High School Wrestling. As you know, Lambert is a beautiful new high school. As such, we are a brand new Booster Club. The purpose of the Booster Club is to offer the support necessary to make the wrestling experience the fullest it can be for our athletes. In order to achieve this, we raise funds, coordinate events and create excitement for the program. We do this with each other and for each other in the name of the team. The booster club also supports the coaches who devote unimagined hours to the growth of our children. As we attempt to create a quality program to support a group of 40-50 young men, we need assistance. Below, you will see options available for you to sponsor this program. While they vary in price, they all contribute to the athletes in the program. All include some type of recognition for the effort and contribution you will have made in the development of young men in your community.

Being a new program, there will be great excitement. Participate in the inaugural wrestling event of Lambert High School, the New School Dual. This is a one-time only event featuring all of the first year high schools in the area wrestling in a team format. Perhaps you would find value in sponsoring the 1st Annual Hook 'Em Horns Holiday Clash, a two-day individual tournament featuring teams from throughout North Georgia. If your budget allows, help us purchase a wrestling mat. In return, we will have your name put permanently on the mat for all to see for years to come.

Please look at the sponsor levels and give our boys consideration. We offer packages ranging from \$100 to \$10,000. Pick the one that is right for you. In doing so, you will be making an investment in the boys right here in your community. If you have questions, please contact me at [lambertwrestling@yahoo.com](mailto:lambertwrestling@yahoo.com). Otherwise, please fill out the sponsor level form, complete with your tax deductible payment and return it to us. Thank you for your support.
